

PERTUBUHAN AL-KHAADEM'S 3RD ANNUAL CHARITY GOLF TOURNAMENT 2009

25th October 2009 marked a major date in Pertubuhan Al-Khaadem's calendar for the year: the highly successful 3rd Annual Charity Golf Tournament. Remarkably, the tournament reached the pinnacle of achievement in its third year due to the calibre of the patrons and participants, the generosity of the donors, and the sheer unceasing enthusiasm of the volunteers and organisers and all involved.

In particular, the highlight of the tournament was the presence of our Honourable Deputy Prime Minister Tan Sri Muhyiddin Mohd Yassin, who took time off to serve as Patron for the event and also played in the tournament. His presence was not only a catalyst for fund-raising and participation, but also injected a palpable air of prestige into the event.

Held strategically at the Tropicana Golf and Country Resort in Petaling Jaya, the event attracted a total number of 128 participants from various corporate organisations and financial institutions. Players included two Ministers, Dato' Dr Awang Adik Hussein and Dato' Shaziman Abu Mansor. The tournament was very competitive: playing on the system 36 format (stable ford), 33 players came back with at least a score of 36 points on par golf. En Shakip Emir of Yadfi Sdn Bhd, handicap 3 and playing 3 under par with a score of 39 points ocb walked away as the winner, followed by En Azlan Hanif of Axis Sdn Bhd, handicap 7 with the same points while Dato' Isa Hassan of Mutiara Teknologi Sdn Bhd, handicap 12 and playing 2 under par with a score of 38 points ocb, took third place.

Our heartfelt thanks go out to all our donors for helping to drive the success of our charitable initiatives. Hats off and sincere appreciation must go to our Platinum donors, Nexbis Sdn Bhd, IT Services Sdn Bhd and Bank Muamalat; our Gold donors, Redberry Media Sdn Bhd and Mutiara Teknologi (M) Sdn Bhd; and our many generous Silver donors, which space does not

permit us to mention. A bouquet of thanks is also extended to all personal cash donors and those who provided goods in kind.

With the generosity and support of our donors, the overarching objective of the tournament was achieved successfully: to raise funds in support of the programmes and services for the Home of Hope and part-finance the Home's development cost. The Home of Hope is Pertubuhan Al-Khaadem's flagship project, a unique and modern sanctuary built to shelter orphans, underprivileged children, battered women, the elderly and single mothers irrespective of race, colour or creed in Kota Kemuning, Shah Alam, Selangor. It was the proudest moment for Al-Khaadem when it was tabulated that total donations raised from the 3rd Golf Tournament amounted to RM 559,316.80. Not only did we raise sufficient funds to cater for the Home of Hope's operational and development costs but we were also able to share the amount raised with two other health-oriented charity organisations: Persatuan Rakan IJN Malaysia and Children's Cancer Fund University Malaya.

We were further blessed with the handing over of a Toyota Hiace 12 seater by Nexbis Berhad to our President, Ustaz Hussain Yee. In his speech, Ustaz Hussain personally thanked the donors for their ongoing support for Al-Khaadem. He also appealed to donors to keep assisting the worthy cause of the Home of Hope in order to keep the dreams and hopes of its residents alive.

It was truly a memorable event, beginning from registration as early as 6.00am right up until the last event for the day: the lucky draw. All present, from donors, participants, and spectators to the organising committee expressed their satisfaction and enjoyment with the day's function whereas the golfers played a passionate game. Credit must also go to the volunteers for making the 3rd Annual Charity Golf Tournament possible and successful. Their selflessness, hard work and tireless efforts are highly commendable and we hope the same attitude applies for future Golf Tournaments and all other initiatives organised by Pertubuhan Al-Khaadem.

MUQADIMAH

A NEW YOU!

Assalamualaikum Warahmahtullah hi wabarrahkatuh. May the peace, mercy and blessing of Allaah be upon us. Amin.

Dear Brothers and Sisters,

May Allaah guide us and forgive all the sins we have committed for the past years. Being human, we know that we are not angels and are not perfect. We commit sins almost every day in our life.

The sins of our heart are demonstrated when we have bad feelings and thoughts of others. The sins of our eyes are committed when we look at things with a bad and negative intention. The sins of the ear are linked to our desire to listen and eavesdrop on conversations that do not benefit us and entertain words uttered with the intention to degrade others. Sins of the tongue are when we lie, bad-mouth, gossip, slander, curse and use bad words. The sins of the hands are noted when the acts of stealing, vandalism, killing, touching people who are not our mahram and hurting a person are undertaken. Sins of the legs are recorded when we go to areas that will destroy our iman, such as karaoke lounges, night clubs, concerts, and parties where there are dancing, drinking of alcohol and singing. Nevertheless, the most dangerous and severe sins of all are the sins of the tongue.

But Brothers and Sisters, I have some good news to share with you. From Anas Ibn Malik, who said that he heard the Prophet Muhammad s.a.w. saying:

“Allaah the most Exalted said, ‘Oh children of Adam, were you to come to me with the world full of sins and meet me without committing syirik, I come to you with a similar amount of forgiveness.’”

(Narrated by Al-Tarmidzi)

We hope that all of us will try to free ourselves from all types of syirik, whether they are minor or major, open or hidden, especially when it is a syirik committed from our actions, words or heart. By freeing ourselves, Insyallaah, we will have a better future in the coming year. We pray that this coming year will be a new year for each of us to become a better person with a new spirit, mind and body to produce A New You! With this, we can prepare ourselves better and make ourselves stronger to face whatever trials, problems or challenges that may come to us; economically, politically or domestically (family).

Whatever we want to do and say in the coming year, we pray and hope that we will try our best to follow the saying and guidance of Prophet Muhammad, the last messenger of Allaah (may peace be upon him), relied from Said Al-Khudri who said that The Prophet said:

إِنَّ رَسُولَ اللَّهِ صَلَّى اللَّهُ عَلَيْهِ وَسَلَّمَ قَالَ:
" لَا ضَرَرَ وَلَا ضِرَارَ " - حَدِيثٌ حَسَنٌ

Laa darar wa laa diraar

BY USTAZ HUSSAIN YEE

The Messenger of Allaah, sallallahu ‘alayhi wasallam, said: “There should be neither harming nor reciprocating harm.”

An excellent hadith, which Ibn Majah, Al-Daraqutni and others related is of sound isnad.

We should be more positive, constructive, proactive, caring, loving and sharing individuals. Whatever we do or say, we must make sure that it does not bring or cause harm to ourselves or others. What we say may sound good to us but it may not sound good to others.

The meaning of the above hadith is:

- 1) Do not do anything that can harm and destroy us, such as smoking, gambling, drinking alcohol or doing anything that Allaah and the Prophet have made haram upon us.
- 2) Do not say or do anything that do not benefit others, but which only cause harm and destruction, such as talking bad about one another, creating hatred, making people enemies of one another and staging sabotage.
- 3) Do not respond with anything that is bad or negative. Leave bad and negative acts. Instead, we should fight negative with positive and bad with good. Through patience and by seeking Allaah’s help, all of us are to come together and leave in peace and harmony. Life is short, we are not going to live forever, so make the maximum of this life by making more friends and not enemies.
- 4) Do not be greedy and selfish in whatever we do. While it may look good to us, it may instead cause disruption and harm to others. For example, we should not destroy, disrupt, damage and disregard our surroundings to accomplish our work or achieve our dreams. Instead, we should be considerate and take all necessary actions to ensure that we protect the environment and human race. We should take the bee as an example when we want to do anything. A bee takes nectar from a flower without causing damage to the flower and produces honey that is very beneficial to all.
- 5) Do not misuse the authority given to us. Do not oppress or be unjust to the weak and poor but use whatever resources we have with wisdom and love. We must honour the rights of everyone. Every being on Earth, whether a Muslim or not yet a Muslim, whether an animal or a plant, as well as the environment has rights upon us.

By honouring and respecting the rights of everyone and everything, Insyallaah, we can save this world from turmoil, unrest, wars, global warming and further destruction. May Allaah s.w.t. guide us, help us, strengthen our iman and make us ‘A New You’ for the coming year. Amin.

Deputy Prime Minister of Malaysia,
YBhg Tan Sri Muhyiddin Yassin
Y Bhg Tan Sri Desa Pachi, Honourable Guest
Tan Sri-Tan Sri, Datuk-Datuk,
Committee Members
Distinguished Guests, Ladies and Gentlemen

1. Good morning. It is a great pleasure to welcome all of you to the 3rd Annual Al-Khaadem Charity Golf Tournament 2009 which is being held in support of the programmes and services for Pertubuhan Al-Khaadem's flagship project, the 'Home of Hope', in Kota Kemuning, Shah Alam, Selangor. The Home of Hope project provides a sanctuary for society's underprivileged regardless of race, culture and creed and supports the Government's aim of creating unity through the 1Malaysia platform. Currently, the Home of Hope has fifty residents and we hope that we will be able to admit more applicants as a direct result of your generosity today.

2. On behalf of Al-Khaadem, may I say that we are honoured and deeply grateful that the Deputy Prime Minister of Malaysia, YAB Tan Sri Muhyiddin bin Mohd. Yassin, is officiating as the patron of the Al-Khaadem Charity Golf Tournament for 2009. YAB Tan Sri has also graciously taken time out from his busy schedule to participate in the tournament.

3. Special mention must also go to Ybhg Datuk Razif, who served as the patron of Al-Khaadem's charity golf tournament for 2007 and 2008 and has kindly sponsored today's challenge trophy. Al-Khaadem is certainly indebted to Datuk Razif who was instrumental in raising support and awareness of this annual event in previous years. Indeed, without the patronage of both YAB Tan Sri Muhyiddin and Ybhg Datuk Razif, we would not have been able to garner such excellent support from the corporate sector. I sincerely believe that the sterling reputation of both our patrons has helped us to retain the continuing support of many donors, and thus, we see many familiar faces with us today. Thank you very much for your ongoing support, which has helped make the Home of Hope a sustainable venture.

4. Of course, no charity event would be successful without the generous support of donors. Al-Khaadem wishes to thank all our corporate and individual sponsors for making the 3rd Annual Al-Khaadem Charity Golf Tournament 2009 a reality despite challenging economic conditions. In particular, I wish to thank our Platinum sponsors Nexbis Sdn Bhd, IT Services Sdn Bhd and Bank Muamalat Bhd. In addition, I appeal to all of you here today to keep on donating to the worthy cause of the Home of Hope in order to keep the dreams of these children alive. Al-Khaadem urgently requires more cash

donations in order to settle the balance of RM1 million owing to the contractor of the Home of Hope and to guarantee the Home's continuing upkeep.

5. For 2009, we are proud to announce that proceeds from the 3rd Annual Al-Khaadem Charity Golf 2009 will also benefit two other charities, namely the Tabung Kanak-Kanak Kanser, Universiti Malaya and Persatuan Rakan IJN Malaysia.

6. We are pleased to inform you that all your donations are tax deductible, thanks to caring government policies that facilitate charity in order to spearhead social development through vehicles such as the Home of Hope. Specifically, it is our goal that the Home of Hope will create a sustainable community where residents can participate in educational, training and re-skilling programmes to make them independent and self-sufficient in the long term, and your donations will go a long way towards achieving this.

7. Last but not least, allow me to extend my thanks on behalf of Al-Khaadem to the team of volunteers and Al-Khaadem's staff who worked tirelessly to make this third golf charity event a reality.

8. Thank you once again for your meaningful contributions to the residents of the Home of Hope as well as to the young cancer patients of university Malaya and those suffering from heart ailments at IJN. Finally, I wish you all the best and may your good deeds be rewarded by the Almighty.

PRESS RELEASE STATEMENT

DPM Heads List at the 3rd Annual Al-Khaadem Charity Golf in aid of the Home of Hope

A charity golf tournament organised by Pertubuhan Al-Khaadem was held last Sunday October 25, 2009, at the Tropicana Golf & Country Resort in Petaling Jaya. Present was patron Deputy Prime Minister of Malaysia, YBhg Tan Sri Muhyiddin Yassin, who also took time off to participate in the event.

Last Sunday’s charity golf tournament was the third of its kind to be organised by Pertubuhan Al-Khaadem, a Malaysian-based NGO, which works to help the poor and needy regardless of race or religion. Proceeds from the event were channelled to its flagship project, the Home of Hope, in Kota Kemuning, Shah Alam.

Home of Hope was developed and built entirely through public funds. It is located on a 3-acre plot of endowed land in Kota Kemuning and can accommodate 250 residents. Presently it accommodates 35 orphans and the Home hopes to welcome more residents, including its targeted groups of single mothers and the elderly, in the near future.

The Home’s goal is to create a sustainable community where residents can participate in educational, training and re-skilling programmes to make them independent and self-sufficient in the long term.

Part proceeds from the charity tournament also benefited the

Universiti Hospital Children’s Cancer Fund and Rakan IJN.

In his speech, the Deputy Prime Minister said, “Today is a great example of how corporations and charities, as well as impassioned individuals, have worked hand-in-hand for the benefit of the less fortunate. Donors are of course the fulcrum of success behind any charitable initiatives. All corporate and individual donors participating today have responded magnificently to the government’s call to demonstrate their leadership not only in the corporate sector but in community service, which is part of holistic sustainable development.”

128 number of participants took part in the charity event, including various representatives form multinational companies and agencies. In thanking those who participated, President of Pertubuhan Al-Khaadem, Mohd Hussain Yee said, “We are pleased to inform you that all your donations are tax deductible, thanks to caring government policies that facilitate charity in order to spearhead social development through vehicles such as the Home of Hope. As fund-raising is becoming an especially challenging task as a result of the economic downturn, we at Al-Khaadem are glad that our efforts will also contribute to other worthy causes.”

Funds raised from the 2007 and 2008 golf charity events went towards financing the balance of payment for the Home of Hope and also its operation costs since it started in Oct 2008.

MUHARRAM, —BERMULANYA PERJUANGAN BARU

Alhamdulillah, segala puji bagi Allaah, Yang Maha Tinggi, Yang telah memberi kesempatan untuk menyambut sekali lagi dalam bulan Muharram, bulan pertama dalam kalendar Islam.

Kalendar Islam bukan sahaja menandakan tarikh dan tahun, bahkan ia membimbing dan mengajak kita melakukan beberapa amalan ibadah supaya kita dapat mendekati diri dengan Allaah.

Dalam sebuah Hadith Qudsi, Allaah Ta'ala berfirman:

“Sesiapa yang memusuhi kekasihKu maka Aku mengisytiharkan perang terhadapnya. Tidak ada satu perbuatan yang mendekatkan diri (taqarrab) kepada Aku oleh hambaKu yang lebih Aku cintai selain daripada kewajipan-kewajipan yang Aku fardukan ke atasnya. Dan hambaKu akan terus beramal menghampiri diri kepadaKu dengan melakukan amalan-amalan sunat sehingga Aku mencintainya. Apabila Aku sudah mencintainya maka Aku (menjadikan) pendengarannya yang dengannya dia mendengar, penglihatannya yang dengannya dia melihat, tangannya yang dengannya dia memukul dan kakinya yang dengannya dia berjalan. Jika dia memohon sesuatu dari Aku nescaya Aku berikannya. Dan jika dia memohon perlindungan Aku (dari sesuatu) nescaya Aku akan melindunginya.

(Fath al-Bari, 11.34041, hadith 6502 diriwayatkan oleh Imam Bukharae).

Selain daripada amalan ibadah ini, kalendar Islam menceritakan peristiwa pengorbanan dan kehidupan Nabi Muhammad sallallaahu alaihi wasalam dan para sahabat yang terpuji. Mereka adalah lelaki dan wanita yang Berjaya menahan nafsu keduniaan dan berusaha dengan sepenuh hati untuk mencari keredhaan Allaah dan RasulNya.

Allaah Ta'ala berfirman; makna terjemahan dalam Al-Quraan Surah Al-Baqarah 2: Ayat 207

“Dan diantara manusia ada yang mengorbankan dirinya kerana mencari keredaan Allaah. Dan Allaah pula Maha Penyayang kepada hamba-hamba-Nya”

Kita perlu melihat keadaan semasa dan bertanya berapa banyakkah pengorbanan yang telah kita lakukan untuk agama kita? Apakah perubahan-perubahan yang telah kita lakukan untuk diri kita dan keluarga kita demi menunaikan perintah Allaah di dalam kehidupan harian kita ini?

Kebanyakan daripada mereka yang memeluk Islam di zaman Rasulullah sallallaahu alaihi wasalam terpaksa berkorban harta benda dan jiwa raga. Ramai diantara mereka yang terpaksa meninggalkan keluarga, harta benda, pangkat, status dan kedudukan semata-mata kerana Islam. Ada di antara mereka terpaksa berhadapan dengan orang tersayang di medan peperangan. Disinilah iman mereka di uji dengan dahsyat sekali apabila mereka terpaksa membuat pilihan; Allaah atau bapa, anak atau sanak-saudara mereka.

Alhamdulillah, kebanyakan kita tidak perlu berhadapan dengan ujian sedemikian ini. Kita tidak perlu berhijrah dan meninggalkan orang kesayangan atau harta benda dalam menegakkan perintah Allaah. Di sebaliknya kita boleh mengamalkan agama secara bebas dan terbuka. Tiada sesiapa yang mengganggu kita daripada mendirikan solat lima waktu atau berpuasa dalam bulan Ramadhan atau menyimpan janggut atau memakai hijab secara shariah.

Semua ini merupakan rahmat Allaah ke atas kita. Namun demikian, berapa ramai di antara kita yang mengambil peluang ini untuk menunjukkan keikhlasan dalam menjalankan perintah Allaah dan untuk menunjukkan kesyukuran dalam mempraktikkan agama

Allaah dalam keadaan penuh selesa.

Kita perlu membaca biografi hidup Rasulullah sallallaahu alaihi wasalam dan para sahabat beliau yang telah mengalami kesakitan dan menumpahkan darah supaya kita dapat melafazkan kalimah “Laa ilaa ha illaa Allaah” (Tiada tuhan yang berhak disembah kecuali Allaah) tanpa menghadapi sebarang ancaman atau takut dibunuh.

Marilah kita mulakan Muharram dengan menunjukkan rasa kesyukuran dan penghargaan kepada Nabi kita sallallaahu alaihi wasalam dan para sahabat dengan mengikut perintah Allaah dan menjauhi larangannya. Janganlah sekali-kali kita lupa tujuan kita diciptakan supaya kita tidak terhanyut dengan keseronokan yang sementara ini. Sebaliknya kita mestilah mengambil kesempatan yang singkat ini untuk menanam benih-benih kebaikan supaya kita dapat menikmati hasilnya apabila berada di alam yang kekal abadi.

Allaah Ta'ala berfirman makna terjemahan dalam Al-Quraan Surah 51 Adh-Dhariyat; ayat:56

“Dan tidaklah Aku (Allaah) menciptakan jinn dan manusia melainkan untuk mereka beribadat kepada-Ku (semata-mata).”

Resolusi kita pada tahun ini adalah untuk menjalankan tugas sebagai muslim dalam perkataan dan perbuatan. Setiap satu perbuatan kita ini mestilah mengikut ajaran Nabi Muhammad sallallaahu alaihi wasalam supaya kita dapat menjauhkan diri daripada amalan-amalan bid'ah

Allaah Ta'ala berfirman makna terjemahan dalam Al-Quraan Surah Al-Maedah 5 Ayat 355

“Wahai orang yang beriman! Bertakwalah kepada Allaah dan carilah jalan yang mendekatkan diri kepadaNya serta berjuanglah pada jalan Allaah (dengan segala keupayaan) semoga kamu beroleh kejayaan.”

Dalam surah yang lain, Allaah memberi amaran kepada kita supaya jangan mengikut cara hidup orang ramai kerana mereka ini adalah golongan yang tidak mematuhi perintah Allaah. Islam datang sebagai ‘asing’ dan akan kembali ‘asing’. Ia disebut sebagai ‘asing’ kerana tidak ramai yang akan mengikut ajaran Islam yang benar (berpandukan kepada Qur’aan dan Sunnah) dan pengikut-pengikutnya akan di anggap sebagai ‘asing’ dalam masyarakat.

Allaah Ta'ala berfirman makna terjemahan dalam Al-Quraan Surah 6 Al-Anaam, Ayat 116

“Dan jika engkau menuruti kebanyakan orang yang ada di muka bumi, nescaya mereka akan menyesatkan engkau daripada jalan Allaah, mereka tidak lain hanyalah menurut sangkaan semata-mata dan mereka tidak lain hanyalah berdusta.”

Kita berharap dan berdoa agar tahun ini akan membawa perubahan dalam kehidupan kita. Di dalam rumah kita akan terserlah ajaran Islam dalam semua aspek. Kita juga berdoa supaya diberi kesihatan yang baik dan kekuatan agar kita dapat menggunakan masa yang singkat ini untuk membaca Al-Quraan dengan pemahaman dan penghayatan dan mengamalkannya di dalam kehidupan seharian. Bacalah lebih banyak buku-buku Islam dan hadirilah kuliah-kuliah agama yang bersandarkan Quraan dan Sunnah. Juga perbanyakkanlah amalan kebajikan dan menderma seberapa yang mampu.

Semoga Allaah terima segala amalan kebaikan dan menetapkan hati kita ke jalanNya.

MUHARRAM,

A NEW BEGINNING

Alhamdulillah, all praise due to Allaah the Most High Who has given us the opportunity to meet Muharram again, the beginning month of the Muslim calendar.

Our calendar does not only tell us the date and year but it also guides and shows us many recommended acts of worship that we can do in order to get closer to Allaah.

In the Hadith Qudsi, Allaah Most High says: interpretation of the meaning of the Hadith Qudsi

“He who is hostile to a friend of Mine I declare war against him. My slave approaches Me with nothing more beloved to Me than what I have made obligatory upon him, and My slave keeps drawing nearer to Me with voluntary works until I love him. And when I love him, I am his hearing with which he hears, his sight with which he sees, his hand with which he seizes, and his foot with which he walks. If he asks me, I will surely give to him, and if he seeks refuge in Me, I will surely protect him”

(Fath al-Bari, 11.34041, hadith 6502 related by Imam Bukharee)

Besides these acts of worship, our calendar carries the sacrifices and the great journey of our Prophet Muhammad (peace be upon him) and his honorable companions. These great men and women are among those who suppressed their worldly desires and went all out to please Allaah and His Messenger. Allaah Most High says: interpretation of the meaning of the Noble Qur’aan Chapter 2, Al-Baqarah: Verse 207

“And of mankind is he who would sell himself, seeking the Pleasure of Allaah. And Allaah is full of Kindness to (His) slaves.”

We should reflect on our current situation and ask ourselves how much have we done for our Deen (religion)? How much have we sacrificed for the sake of fulfilling the commands of Allaah in our daily lives; with ourselves, our family, colleagues or others?

Our great predecessors, who were mainly reverts, gave up their families, wealth, status, and country for Islam. Some of them had to confront their loved ones on battlefields where they were tested to choose Allaah or their fathers, sons or relatives.

Alhamdulillah, most of us today are not tested in this way and we can practise the Deen freely and openly. No one is out there to harass us if we keep our five prayers, fast in the month of Ramadhan, keep a beard or use the Shariah hijab.

This is a great blessing from Allaah to us. We don’t have to migrate or leave any of our loved ones or our property in upholding the commands of Allaah. Yet how many of us are taking this opportunity to show our true sincere love to Allaah or to show our appreciation and gratitude for being able to practise our Deen in such great comfort?

We should read the biographies of our Prophet (peace be upon him) and his Companions who have given their lives and spilled their blood in order that we can easily say the ‘kalimah’: “Laa

ilaa ha illaa Allaah” (There is no God worthy of worship except Allaah) and practise it without any fear of being harassed or killed.

Let us begin our Muharram by showing gratitude and appreciation to the sacrifices of our Prophet (peace be upon him) and his Companions by following the Commands of Allaah and abstain from His prohibitions. We must never forget the reason we were created and take the opportunity to sow the seeds of good deeds as much as we can with the limited time we are given.

Allaah Most High says: interpretation of the meaning of the Noble Qur’aan Chapter 51, Adh-Dhariyat; Verse 56

“And I (Allaah) created not the jinn and mankind except that they should worship Me (Alone).”

Our resolution in life this year should be to perform our duty as a Muslim in words and actions, both outward and inward, for the sake of Allaah alone. Each and every act that we perform should be in accordance with the teachings of Prophet Muhammad (peace be upon him), which will help us from falling into the trap of innovations.

Allaah Most High says: interpretation of the meaning of the Noble Qur’aan Chapter Al-Maedah, 5, Verse 35

“O you who believe! Do your duty to Allaah and fear Him. And seek the means of approach to Him, and strive hard in His Cause (as much as you can), so that you may be successful.”

In another verse Allaah warned us to be careful as not to follow the lifestyle of the majority because they are not among those who walk on the path of Allaah. Islam came as a stranger and it will return as a stranger. It is called ‘stranger’ because only a few will follow the true teachings of Islam and these people will be looked upon as strangers in the society.

Allaah Most High says: interpretation of the meaning of the Noble Qur’aan Chapter Al-Anaam, 6, Verse 116

“And if you obey most of those on the earth, they will mislead you far away from Allaah’s Path. They follow nothing but conjectures, and they do nothing but lie.”

We hope and pray that this year may be the one that will bring us closer to Allaah whereby our homes will reflect the teachings of Islam in all aspects. We also pray for good health and strength so that we can spend our precious and limited time given by Allaah in reciting the Qur’aan with understanding and pondering its meaning and practising it in our lives, reading more Islamic books, attending religious classes that are founded on the path of the Qur’aan and the Sunnah, and doing plenty of good deeds and giving out charity whenever we can.

May Allaah accept our Deeds and keep our hearts firm on His Path. Ameen

JAWAPAN KEPADA SOALAN ANDA BERKAITAN ISLAM

1. Apakah pengertian Hadith Qudsi?

Hadith Qudsi adalah firman Allaah yang diwahyu kepada Nabi Muhammad Rasulullah saw terus menerus tanpa perantaraan malaikat Jibril a.s. Untuk mengetahui sama ada sesebuah hadith adalah Hadith Qudsi atau pun sebaliknya, kandungan hadith Qudsi akan bermula seperti berikut: “Nabi Muhammad berkata bahawa Allaah berfirman...”

2. Apakah yang dimaksudkan dengan ‘zuhud’?

Zuhud boleh dibahagi kepada dua (2) kategori: zuhud dengan Allaah dan zuhud dengan manusia. Zuhud dengan Allaah adalah apabila seseorang membebaskan dirinya daripada segala ikatan dengan dunia dan merasa sangat berpuas hati dengan apa jua pemberian yang ditakdirkan Allaah ke atasnya. Zuhud dengan manusia pula adalah apabila seseorang merasa sukacita dengan apa jua yang diterima olehnya dan apa jua yang diterima oleh orang lain, dan merasa sukacita dengan setakat mana yang diperolehinya. Secara ringkas, seseorang itu zuhud apabila dia mentaati perintah Allaah dan RasulNya dan menjauhi segala laranganNya.

3. Apakah ada keperluan dengan cara tertentu untuk bersuci apabila seseorang bersentuh dengan anjing?

Tidak ada keperluan. Kita hanya perlu membersihkan secara kebiasaan apabila terasa ada kekotoran akibat terkena sentuhan. Menurut sabda Nabi Muhammad saw, apabila perkakas untuk memasak kita dijilati anjing dan kita masih mahu mengguna perkakas tersebut untuk tujuan memasak atau meletak makanan, kita dikehendaki mensucikan perkakas itu dengan membasuh mula-mula sekali (1) dengan tanah, kemudian membasuh sebanyak enam (6) kali dengan air. Mengikut hadith ini, adalah jelas bahawa Nabi merujuk kepada peralatan yang kita masih memerlukannya untuk kegunaan bagi makanan kita. Sekiranya perkakas berkenaan hanya untuk kegunaan anjing, maka tidak ada perkakas bersuci tertentu. Walau apa pun, apabila anjing menjilat atau menyentuh kita, kita hanya perlu membersihkan diri kita mengikut cara kebiasaan tanpa keperluan bersuci sebagaimana diterangkan tadi.

4. Apakah hukumnya melaku ibadat qurban atas nama mereka yang sudah meninggal dunia?

Hukum melakukan qurban atas nama seseorang yang sudah meninggal dunia adalah wajib sekiranya arwah berwasiat atau bernazar untuk melakukan qurban.

5. Apabila sesudah melakukan ghusul (mandi wajib) ke atas mayat, apakah boleh ahli keluarga mencium muka si mati?

Ya, apabila mayat sudah dimandikan, adalah menjadi sunnah Rasulullah s.a.w bagi ahli keluarga mencium dahi si mati.

6. Apakah amalan sunnah mengenai aqiqah? Sekiranya seseorang sudah melewati umur tua dan masih belum beraqiqah, apakah boleh dilakukan aqiqah baginya?

Hukum aqiqah berdasarkan hadith daripada Rasulullah s.a.w adalah

ia dilakukan pada hari ke-7, 14 atau 21 selepas hari kelahiran kanak-kanak. Menurut pendapat sebahagian ulama, sekiranya keadaan tidak mengizinkan untuk aqiqah dilakukan pada tarikh-tarikh tersebut, ianya boleh dilakukan apabila ada kemampuan, walau pun seseorang itu sudah menjangkau umur tua.

7. Di dalam solat berjemaah, apakah yang patut dilakukan oleh makmum yang menjadi kebiasaan baginya mengambil masa panjang membaca Al-Fatihah, dan dia khuatir tidak sempat melakukan rukuk bersama Imam?

Mereka dikehendaki mencuba setakat terdaya mempercepat dan selesai bacaan Al-Fatihah sebab solat seseorang tidak kira sah tanpa bacaan Al-Fatihah dengan selesai, terutama dalam solat yang bacaan dilakukan secara senyap.

Peringatan: Kita tidak boleh mengambil masa panjang untuk membaca Al-Fatihah mengikut kebiasaan apabila kita mengikut imam, kerana kita dikehendaki berusaha sebaik mungkin, membaca Al-Fatihah secepat mungkin.

8. Di dalam keadaan manakah kita boleh menamatkan solat sebelum selesai menyempurnakan segala rukun?

Kita boleh meringkaskan solat apabila disadari keadaan berbahaya atau dalam situasi kecemasan. Meringkaskan solat tidak bererti meninggalkan mana-mana rukun atau mana-mana syarat sah solat yang mesti disempurnakan. Kita boleh memilih untuk membaca surah yang pendek selepas bacaan Al-Fatihah dan melakukan ucapan minima untuk tasbih, iaitu tiga (3) kali sahaja. Sekiranya situasi tidak mengizinkan, kita boleh berhenti daripada solat dan mengerjakannya kemudian.

9. Mengikut sunnah, apakah warna pilihan untuk pakaian lelaki dan perempuan semasa mendirikan solat, juga semasa menunaikan umrah dan haji?

Mengikut sunnah, warna yang sangat dianjurkan oleh Nabi Muhammad saw bagi pakaian lelaki adalah warna putih dan hijau, manakala bagi pakaian wanita, selalunya berwarna lebih gelap, seperti hitam, kelabu atau coklat gelap. Bagi lelaki dan perempuan, bahan pakaian mestilah yang cukup tebal dan tidak menampakkan tubuh. Peraturan ini adalah sama semasa menunaikan ibadat haji dan umrah.

Peringatan: Menutup aurat bukan sahaja pada kulit tetapi juga rupa bentuk badan.

10. Bolehkah badan kebajikan Islam menerima sumbangan atau derma daripada yayasan yang ditubuh oleh institusi yang mungkin terlibat dalam aktiviti perniagaan bukan halal seperti perjudian?

Tidak boleh, tetapi kita boleh menerima sumbangan atau derma daripada mana-mana yayasan selagi kita mengetahui bahawa punca kewangan itu adalah bukan daripada sumber haram seperti perniagaan melibatkan riba, perjudian, arak atau menternak khinzir.

BOOK REVIEW

IBRAHIM –A NATION IN ONE MAN

By Muhammad al-Jibaly

First in the series Stories From the Sunnah, this book relates the story of Prophet Ibrahim as found in the Qur'an and authentic Sunnah. Commentaries help to enhance the reader's understanding of the book's key messages.

Prophet Ibrahim's special place in Islam can be appreciated from Allaah's command to Prophet Muhammad to "Say, 'Indeed, my Lord has guided me to a straight path – a correct religion – the way of Ibrahim, inclining toward truth. And he was not one of those who join others with Allaah in worship.'" (Al-An'am 6:160).

Thus, the book delves into the biography of Prophet Ibrahim, the disowning of his father, a disbeliever, and his marriage to Hajar, with whom he begot Isma'il (from whom Prophet Muhammad is descended), and Sarah, from whose son, Ishaq, is descended many prophets until Prophet 'Isa.

The book highlights Prophet Ibrahim's fight against shirk and his final settlement in Makkah, where he built the Ka'bah. The story of the Ka'bah is taken beyond the time of Prophet Ibrahim through its major reconstructions until the present. Readers will get to know about the distinctive elements of this sacred sanctuary as well as other aspects such as the Ka'bah's shape and size. In the final chapter, Prophet Ibrahim's place in the Hereafter among the most righteous is explained.

From reading this book, as well as others in the series, we shall become better acquainted with the Prophets, thus taking them as role models in strengthening our iman. The stories contain moral lessons that will help us in our journey through life, Insyallaah. Through the trials and tribulations of the Prophets, we understand the need to be strong and steadfast in our belief, faith and trust in Allaah.
